

Resolution presented by the delegation of

Italy

Themes	Conflicts and international security
Concern	Reinstating a modernized Roman Empire for the benefit of all surrounding countries, their economy and international security
General Assembly,	
Recalling	the historical significance of the Roman Empire in fostering economic prosperity, cultural exchange, and security across Europe and the Mediterranean,
Recognising	the potential benefits of a modernized Roman Empire in enhancing economic cooperation, cultural unity, and regional security
Acknowledging	the challenges posed by current geopolitical tensions, economic disparities, and security threats in the region,
Emphasising	the importance of international cooperation and multilateralism in addressing global issues,
Proposes	<p>the establishment of a Modernized Roman Empire (MRE) as a global coalition aimed at enhancing economic integration and cooperation among countries around the world, promoting cultural exchange and unity, and strengthening regional security and defence mechanisms;</p> <p>the formation of a governing body for the MRE, comprising representatives from each member state, to develop and implement policies that align with the goals of the MRE, monitor and evaluate the progress of initiatives and programs, and ensure transparency and accountability in decision-making processes;</p> <p>that the international community supports the MRE by providing technical and financial assistance to member states, engaging in diplomatic efforts to promote the objectives of the MRE, and facilitating partnerships with other regional organizations and initiatives.</p>
